#### **Out of Uniform Days:**

Jackson Administration will frequently hold “out of uniform” days to raise funds for extracurricular activities or donate to charitable causes. We appreciate our students’ support and participation in helping us give back to the school and local community. Students that participate by paying the dress down day fee on the designated “out of uniform” day, will be allowed to wear their regular clothes to school. Students that choose to NOT participate by paying the dress down day fee, will be required to wear their regular school uniform to school. Students are not expected to contribute to these “out of uniform” fundraising days.
